### VFW Post 1550 To Hold Pearl Harbor Day Dinner

Members of Gen. Jesse M. Lee Post 1550 Veterans of Foreign Wars will hold their annual turkey dinner Tuesday, December 7, at 6:30 p. m. at the Post Home, corner of Indiana and Poplar Streets.

This dinner, each year, commemorates the sneak Japanese attack on Pearl Harbor, December 7, 1941.

Many of the overseas veterans who will attend the dinner were in their late teens when the "Day of Infamy" occurred 24 years ago. They soon grew to manhood, however, after entering the service for their country and the rest of the free world.

Tom Mont, DePauw football coach, will be the speaker for the event according to Tom Hardwick, who will act as master of ceremonies.

The Tiger grid mentor needs no introduction to local audiences as he is recognized as both a humorous and serious outstanding speaker for any occasion.

More than 250 veterans and invited guests are expected to attend the dinner which will be prepared and served by the Ladies Auxiliary.

A Life Membership will also be awarded some member of the Post.

Invited guests include: Mayor Raymond Fisher; Police Chief Roy Newgent; Fire Chief C. L. Balay; Judge Francis N. Hamilton; WWI Commander Cloyd Trisler; Indiana VFW Department Commander Ed Saunders; Vice Department Commander Bill Warren; Past Department Commander Clyde Miller; County Service Officer Maurice Hurst; VFW Fathers Auxiliary Commander Carl Myers; Legion Post 58 Commander Harold Dunn; Moose Governor Ernest Sutherland; Sixth District VFW Commander Bill Shoaf and all Past Commanders and Charter Members.

### Gen. Ike Out Of Wheelchair

WASHINGTON UPI — Former President Dwight D. Eisenhower has abandoned his wheelchair at Walter Reed Army Medical Center.

A hospital spokesman said Friday the general, who suffered two heart attacks last month in Augusta, Ga., "continues to improve" and now walks instead of riding in the wheelchair.

There was no indication when Eisenhower would be released, but he is expected to be home for Christmas at his Gettysburg, Pa., farm.

### O.E.S. Notice

Stated meeting of Cloverdale chapter No. 369, Wednesday, Dec. 8th, 7:30.

The Christmas dinner meeting at 6:30 p.m. Covered dish, 50 cent gift exchange. Each man is to bring a gift for a man, and each lady is to bring a gift for a lady. Visitors are invited.

Maxine Graham, W.M.

### 20 Years Ago

Miss Judy Friend was home from Indianapolis where she was in nurses training at the Methodist Hospital.

John Cartwright, Jr. was honorably discharged from service at Camp Atterbury.

Donald Lear was confined to his home due to illness.

### Brown To Inaugurate SDX Lecture Series

DePauw University and the president-publisher of Editor & Publisher have been selected to inaugurate a new national lecture series for the Sigma Delta Chi Foundation.

Robert U. Brown, head of the New York based newspaper, will deliver the Foundation's maiden address, "The Passive Giant," at 7:15 p.m. Friday (Dec. 10) in DePauw's Student Union ballroom.

Expected too attend are members of the professional journalism society from throughout Indiana, undergraduates in communications areas, plus special guests of the DePauw chapter.

A 6:30 p.m. invitational dinner given under the auspices of DePauw's K. C. Hogate Fund will precede the public lecture. Hogate was a 1918 graduate of DePauw and served as president of The Wall Street Journal's parent company, Dow Jones, from 1933 until his death in 1947.

Two other collegiate chapters, those at the University of Michigan and the University of Kansas, will host opening round lectures along with DePauw where the nation's first chapter of Sigma Delta Chi was found in 1909.

### School Thieves Are Sentenced

BLOOMFIELD UPI—Speedy justice came to Albert L. Wilkie, 26, and John F. Osborne, 24, Terre Haute, who were arrested only five days ago in connection with a string of school burglaries in five counties.

Judge Edwin B. Long of Greene Circuit Court sentenced them to 1-10 year terms at the Indiana Reformatory when they pleaded guilty to charges of entering to commit a felony in connection with a \$350 burglary at the school administration offices in Bloomfield Elementary School last Sunday morning.

Wilkie and Osborne were arrested near Sullivan. They faced two charges, including one of second degree burglary.

### Clyde M. Bunten Funeral Monday

Clyde Marion Bunten, 54, Reelsville, Route 1, passed away in the West 10th Street Veterans Hospital, Indianapolis, Friday evening where he had been a patient since Nov. 24.

He was born in Fillmore on Sept. 23, 1911, the son of Clyde and Mary Anna Storm Bunten.

He was a World War II veteran and was awarded the Purple Heart for service in Germany. He was a member of the D.A.V. and the Bethel Baptist Church.

Survivors include his wife, Nancy; a sister, Mrs. Ayler Nelson, Greencastle; two brothers, Donald, Cloverdale, Route 2, Fred, Fillmore, Route 1; two aunts, Edith Cline and Nellie Heavin, both of Coatesville, and an uncle, Noble Storm, New Maysville.

Services will be held at 2 p.m. Monday at the Rector Funeral Home with Rev. Dallas Rissler in charge.

Friends may call at the funeral home after 7 this evening.

### Super Spy Jet

WASHINGTON UPI — The Air Force will develop a reconnaissance model of its 1,650-mile-an-hour F111 fighter plane, formerly called the TFX.

Defense Secretary Robert S. McNamara said Friday \$12 million had been set aside for development of the new plane, to be called the F111A. The Fort Worth, Texas, division of the General Dynamics Corp., which is building the fighter version, also will develop the reconnaissance model.

CAPE KENNEDY UPI—Astronauts Frank Borman and James Lovell were ready to kick off America's two-week "spirit of '76" gymnastics today aboard the Gemini 7 spacecraft. Only the elements clouded their chances for an afternoon blast-off into orbit.

Both the pilots and their spaceship were pronounced in A-1 condition for the launch at 2:30 p.m. EST. But officials were keeping a wary eye on some spotty-looking weather in the general area of this spaceport.

E. A. Amman, the space agency's chief forecaster, said it appeared a high blanket of clouds would move over the launch site, and there might be light afternoon showers. But officials remained optimistic.

If all went as planned, Borman and Lovell would roar away on a mission lasting 14 or 15 days and featuring a historic bit of close-formation flying with sister ship Gemini 6, hopefully scheduled to go up in orbit nine days later. Such a rendezvous would be a big breakdown in the American effort to land men on the moon.

The flight also would eclipse the eight-day individual flight endurance record set just last August by Gemini 5 astronauts Charles Conrad and Gordon Cooper.

Borman and Lovell, both 37, got a good night's sleep while officials and technicians made final checks on their 7,500-pound capsule and its 10-story-tall titan 2 booster. Before retiring, they pronounced themselves "ready to go."

Engineers fueled the 10-story rocket during the night, and reported "everything working perfectly."

And while all this went on, Gemini 6 pilot Walter Schirra and Thomas Stafford followed rigid training schedule for their brief but important role in what would be a blue-ribbon-wrapped Christmas present for U.S. space officials.

Space agency officials said in advance that the odds were 50-50 that the Gemini 7 and 6 would be able to carry out the type of rendezvous desired.

This would be a prelude to the docking maneuver that must be perfected before the moon flight can be tried.

To make this mission more flexible, officials decided if necessary to add one more day to the scheduled 14-day flight by Borman and Lovell. The extra day would enable Gemini 6 to get off as late as Dec. 18—the originally scheduled splash-down day for Borman and Lovell—and still carry out the mission in space.

At a final briefing on their mission Friday, the Gemini 7 pilots were told that their rocket was "an extremely clear was" with Arnold on Sept. 23, bird—the checkout of it has gone extremely smoothly."

### White Conducts Own Premiere

Professor Don White of DePauw University's School of Music last night conducted the premiere performance of one of his newest compositions, "Divertissement," in Harrisburg, Pa.

The work, a set of five miniature movements for a six-part clarinet choir, was performed by 125 hand-picked high school music students from throughout Pennsylvania.

Dr. White conducted the first performance of his work at the PMEA's annual conference in Harrisburg.

Last month another of White's pieces, "Aeterna Christi Munera," was premiered by the wind ensemble of the Eastman School of Music in Rochester, N. Y.

### Greek Quake

ATHENS, Greece UPI — An earthquake jolted Athens early today, sending many residents fleeing into the streets. The quake lasted for about two seconds and it was not immediately known if any damage was caused.

### Nuclear Test

WASHINGTON UPI — The United States Friday detonated its biggest atomic underground test of the year — an underground weapon explosion in Nevada.

The Atomic Energy Commission said the test had an intermediate yield equal in explosive force to between 200,000 and one million tons of TNT. It was the 22nd type of test announced this year.

The Russell Township Farm Bureau will enjoy a turkey supper in the Russellville Christian Church on Tuesday, Dec. 7, at 6:30 p. m. This is an annual Christmas meeting of the organization.

Following a business session, the group will hear an address by Luis Martinez.

He formerly taught social studies in Cuba and also practiced law in Havana. He left Cuba when diplomatic relations were broken off between Cuba and the United States.

In 1963, he completed requirements at Indiana State University, in Terre Haute, for teaching in Indiana. He is now teacher of Spanish in the Crawfordsville High School.

Mr. Martinez will bring a message of experiences and life in a Communist country.

The entire Russellville community is invited to hear him at 7:30 p. m.

### Law Compliance Suit Is Filed

ANDERSON UPI—The Anderson Federation of Teachers filed suit in Madison Superior Court in an effort to compel the Anderson School Board to comply with a law in connection with the withholding of dues from Teachers' salaries.

Officials said the suit was filed after the board refused to withhold dues. The Federation said it sought and received an opinion from Indiana Atty. Gen. John Dillon that withholding is mandatory if a portion of the dues collected is for insurance and if 20 per cent of the teachers authorize such collections.

Federation officials said these conditions were met last June.

### Falls To Death

TERRE HAUTE UPI — William Cochran, 41, R. R. 6, Paris, Ill., was killed Friday when he fell seven stories from a steel framework of an Indiana State University dormitory under construction on the campus.

Cochran was employed as a construction worker when he plunged through the framework of girders and reinforcing rods to the ground.

### JUNIOR GIRL SCOUTS REDEDICATED

At a candle lighting ceremony, Girl Scouts in Troop 371 from Ridpath School were rededicated into Scouting. Parents of the girls and their teachers were invited.

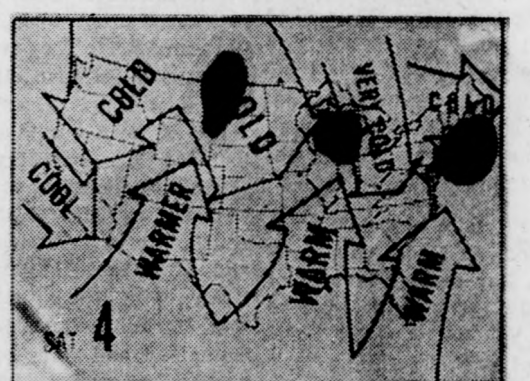

Sixteen girls, who "flew up" from Brownie troops last spring, were rededicated as Junior Girl Scouts at this ceremony. Each girl recited the Girl Scout promise as she lighted her candle. These girls were: Donna Bowen, Julie Cox, Laura Evans, Cheryl Fowler, Brenda Garl, Linda Gobert, Cindy Green, Laura Hampton, Janet Lanham, Faith Long, Kathryn Moore, Vicki O'Hair, Beth Ann Roach, Jane Secrest, Sherry Slaven, and Patty Walsh.

The remaining girls in the troop have been previously dedicated as Junior Girl Scouts but took part in the ceremony by stepping forward and explaining the meaning of the ten Girl Scout laws and guiding the younger girls. These girls were: Cindy Black, Linda Bumgardner, Peggy Eppelheimer, Freida Green, Pamela Liston, Linda Moore, Cindy Smith, Jackie Butler, Denise Fisher, Linda Harris, Cindy O'Hair, Patty Ann Petrey, Shirley Petrey, Carol Stoelting, and Judy Thurman.

The ceremony was closed by the troop singing, after which refreshments were served. The girls took part in planning the ceremony and acting as hostesses for their guests.

Leaders of the troop are Mrs. Dan Smith, Mrs. Raymond Butler, and Mrs. Don Gobert. College assistant is Mary Wetherell, a DePauw freshman from Prairie Village, Kansas.

## Hammersley - New Wedding Solemnized At Bedford Church

Palms, two seven-branched candelabra, and two fireside baskets of shocking pink mums and pom poms, accented with burgundy satin bows, at the altar and eight tall wrought-iron candle holders, holding a single white candle, pink pom poms and greenery, and tied with white satin bows, lighting the aisles and marking the family pews, created the setting in the First Church of God in Bedford for the lovely wedding of Miss Pamela Carol Hammersley and Noble Woodson New, Saturday evening.

Rev. John R. Butt officiated at the double ring rite at 8 p.m.

Mr. and Mrs. Millard Hammersley of Route 4, Bedford and Mr. and Mrs. Woodson New of Route 1, Greencastle, are the parents of the bridal couple.

The bride entered with her father, on a white aisle carpet. Her ivory silk-faced peau and Alencon lace, re-embroidered gown was fashioned with a scooped neckline, a trimmed elbow bodice, and lace-trimmed elbow length sleeves. The A-line skirt swept into a chapel train which was appliqued with lace flowers. A narrow band and large bow in back emphasized the waistline. A brilliant crystal and pearl jeweled crown held her bouffant elbow-length veil. She wore white mitts, and her single strand of pearls was a gift from the groom. She carried a colonial arrangement of white roses and pink stephanotis.

Louise Johnson, soloist, sang "Before Thine Altar" as the couple knelt following the ceremony. He was accompanied by Miss Linda Burford who also played "Jesu, Joy of Man's Desiring," "Claire de Lune," "Ave Maria" and "Panis Angelicus" and the processional and recessional.

Mrs. Daniel Parker was maid-of-honor. Serving as bridesmaids were Miss Jill Luse and Miss Suzy Criswell, all of Bedford and close friends of the bride.

They wore floor length burgundy velvet dresses with fitted bodices, scooped necklines and elbow length sleeves. A tiny self bow accented the waistlines. Their veils were attached to a burgundy velvet bow and their shoes matched their gowns. They carried colonial arrangements of shocking pink pom poms with pink satin ribbon and pink netting.

Karen Combs, of Columbus, a cousin of the bride, was flower girl. Her dress was also of burgundy velvet with puffed sleeves and belted waist. She wore a tiny wrist corsage and carried a white basket of pink rose petals.

The groom's brother, James New of Greencastle, was best man. His uncles, Eddie Hammond and Dave Hammond, and a cousin, Steve Hammond, all of Greencastle, and Daniel Parker of Bedford, were ushers.

Wally Combs of Heltonville,

cousin of the bride, carried the white satin, heart-shaped ring pillow that was trimmed with imported lace, circlets of lilies of the valley, and satin streamers in lover's knots.

Mrs. Hammersley chose a dress of navy blue, trimmed in satin, and black accessories for her daughter's wedding.

Mrs. New wore a two-piece blue ensemble with black accessories. Both mothers wore corsages of white carnations.

Immediately following the ceremony, a reception was held in the Fellowship Room of the church, catered by the Phi Beta Psi sorority. Guests registered as they entered the reception room under an arch of wedding bells hanging from burgundy ribbons. Miss Ruth Mary New was in charge of the guest book.

The bride's color scheme was carried out with white and burgundy bells and satin ribbons and a centerpiece of flocking, white satin bows and white love birds on the gift table. Tables were covered with white nylon skirts caught with burgundy ribbons and white wedding bells at the corners. The serving table was centered with a four-tiered all white cake, topped with a miniature bride and groom, and encircled with baby white roses and net lilies of the valley. Burgundy candles in crystal candelabrum formed the candlelight setting for the serving of the cake and pink punch from a beautiful crystal bowl that was surrounded with holly and poinsettias.

Miss Diana Pace, Miss Rhonda Terrell, Miss Linda New, and Miss Ruth Ann Jackson, assisted with the serving and all wore white carnation corsages tied with pink and burgundy ribbon.

For a wedding trip, the destination of which was not disclosed, the bride traveled in a blue wool knit, a white winter coat and black accessories. She is a graduate of Oolitic High School and a member of the First Church of God.

A graduate of Greencastle High School, Mr. New attended Purdue and Indiana State Universities and is employed by Donnelly Publishing Co. in Crawfordsville. They will make their home in that city, after Dec. 5 at 109 N. Grant Ave.

Out of town guests attending included Mr. and Mrs. Ollie Mann and family of Baltimore, Md.; Mr. and Mrs. Clyde Combs and family of Indianapolis; Mr. and Mrs. Rex Hammond and family, Mrs. Ruth Hammond, Mrs. Marie New and Mrs. Eddie Hammond and Gary of Greencastle; Mr. and Mrs. Ray Haines of Bloomfield; Mr. and Mrs. Robert Gibbs and family of Shoals; Mr. and Mrs. Robert Underwood and Brad of Bloomington; Mr. and Mrs. Clifford Hammersley and family of Yorktown; Mr. and Mrs. Tom Combs and family of Columbus; and Mr. and Mrs. John Combs and family of Heltonville.

## Paper Receives Florida Letter

Mrs. Lillie B. Reeves writes the following interesting letter from Sebring, Florida, regarding the activity of Putnam County people who are spending the winter in the Sunshine State:

Dear Friends,

When I was asked to write the item telling of the Thanksgiving Day Dinner the Putnam County folks enjoyed, I decided to put it into the form of a letter and add a bit more.

It was one of the prettiest autumn days anyone ever saw — sunny and very warm. We set the dinner on a picnic table under the trees at Highlands Hammock Park. The crowd paused silently as the blessing was asked, then each one filled a plate and enjoyed the meal.

The only business that came to the group's attention was the decision to reserve the big building for the Christmas Day dinner, which they did.

No formal entertainment was needed, for everyone was anxious to catch up on the news of this past summer. So we just visited until time to go home.

Those present were Mr. and Mrs. Ray McGaughey and Walker Ramsay from Russellville, Mr. and Mrs. Clyde Carrington, Mr. and Mrs. Harley Smith and Mr. and Mrs. Virgil Grimes of Bainbridge, Clarence Scobee, Greencastle, Mrs. Helen Robbins, Mr. and Mrs. Harry Neier, Mr. and Mrs. Clarence Etcheson and Mr. and Mrs. Clifford Reeves of Sebring, Fla. One guest, Mrs. Maida Barth of Ohio, was there.

In spite of the beautiful weather, the lovely dinner and comradeship of friends, there was a bit of sadness, for we had just received word of the death of our good friend Carl Ferrand in Greencastle. To you, Florence, we extend our deepest sympathy.

As usual, all could not attend the dinner and the reasons were various, of course.

The Claude Newgent family, including Mr. and Mrs. Arthur Brattain, spent the day at Dale Newgent's in Bartow, Fla. Mr. and Mrs. Guy Collings ate dinner at the Tourist Club in Sebring. I haven't seen Mr. and Mrs. Thurlow Garver, so I don't know why they were absent. Mr. and Mrs. Paul McGill had promised to attend a dinner with some of their club members. Mr. and Mrs. Earl Breedlove missed the dinner because she is recuperating from a severe virus infection. Mr. and Mrs. Tony McGaughey and grandson, Buddy Fruit, were unable to attend, for Tony had to work on the electric motor for the pump.

Mr. and Mrs. Howard Poff were home but they had Joe and Dorothy and the children for a turkey dinner. Mr. and Mrs. Leland Torr were guests of the Poffs that day too.

When Mr. and Mrs. Russell Scobee got down here the day before Thanksgiving, Elva was feeling so badly she didn't even think about going to the dinner the next day.

Ira Nichols was probably tinkering with his work at home and decided not to come. Mrs. Ruth Evans was at Mrs. Mary Farmer's that day for dinner.

By the time Christmas comes, there will be several more and no doubt there will be a good attendance that day at the Park.

It has been over a year since I wrote to you "via the Banner" and I must say, writing is a bigger task for me than it used to be.

If I failed to see you this past summer you'll know it was due to circumstances over which I had no control.

I'll close, wishing the holiday season that is coming up will be a happy one for each of you.

Your Friend,  
Lillie B. Reeves

### Hello London

LONDON UPI6 — Mary Martin scored a show-stopping success Thursday night in the British premiere of "Hello, Dolly!" before a glittering audience at the Royal Theatre in Drury Lane.

Members of the audience shouted "welcome home" to Miss Martin as the red-haired star led the cast in half a dozen curtain calls. Miss Martin sang as an encore the title song of the show with special lyrics that she wrote with London, recalling her long stay at the same theater in "South Pacific."

Dinner Meeting Held By Historical Society

The Putnam County Historical Society met at Torr's Restaurant on Wednesday evening for a dinner meeting. There were several guests.

Mrs. Wm. Boatright, president, opened the meeting with a memorial poem for Mrs. James Hartsaw, mother of Mrs. Grace Hurst. Miss Grace Arnold presented a copy of "The History of Floyd Township" for the archives. Mr. Cyril Johnson made a report on the genealogical meeting and the plans for the Sesquicentennial which was held in Indianapolis last month.

For the program Dr. Manhart presented Mr. Dan L. Smith of the DePauw Library who showed the film of the Centennial of Greencastle and Putnam County which was held in 1924. This was three years late for the organization of the county and one year late for Greencastle. Dr. Manhart gave some interesting details: Mr. P. Mullins took most of the pictures and Dr. W. W. Sweet wrote a history of Greencastle, the oxen were obtained from Shoals, and the Red Men Lodge with the ladies auxiliary of Pocahontas received fifty dollars as the first prize for the best float. Putnam County received the second prize of twenty-five dollars. Mr. Ed Evans, who was a guest at the meeting, and his brother Lute made the float.

The next meeting will be held January 26 at Torr's Restaurant with Mr. and Mrs. Perry Rush giving the program.

## Yanks Killed By Viet Cong Bomb

SAIGON UPI — A Communist tommy-gun terror team exploded a huge bomb today behind a building housing a U. S. Navy dispensary and a number of American servicemen, killing at least 10 persons and wounding more than 175.

Two of the dead were Americans who were sleeping in their quarters in the seven-story Metropolitan Building. The three lower floors of the building house the Navy dispensary, and the four upper floors provide quarters for bachelor enlisted men.

A Claymore mine, intended as a "backup bomb" to kill rescue workers tending victims of the first blast, failed to explode. If it had done so, the number of casualties might have been greatly increased.

U. S. Ambassador Henry Cabot Lodge denounced the bombing as "diabolical."

There were 75 Americans wounded. U. S. officials at the scene said more than 100 Vietnamese men, women and children were hurt.

## Wed In Brick Chapel Methodist Friday Evening, November 24th

Before the candle-lit altar of Brick Chapel Church, Miss Carolyn Blue and Gene Milner exchanged wedding vows Friday evening, November 26th. The Rev. Clarence Loveland performed the double ring ceremony at 7:30 p.m. The altar was decorated with palms, baskets of white mums and two seven-branched candelabra.

Ushers were fraternity brothers Mike Blue, Bainbridge, Bill Mauck, Anderson, Jim Heston, Indianapolis, and Bill Bate-man, Cincinnati, Ohio. Miss Linda Hendrich, cousin of the bride, registered the guests.

John Hurst played bridal selections at the organ. Parents of the couple are Mr. and Mrs. Wm. K. Blue, R. R. 3, Greencastle, and Mr. and Mrs. Billy Milner, Sedalia, Indiana.

The bride, given in marriage by her father, wore a princess style gown of ivory silk faille. The empire bodice flowed into an "a" line skirt bordered with a deep band of lace. A ruffle of re-embroidered venise lace bordered the dior length sleeves. Floor length streamers fell from a bow attached at back neckline. A cluster of lace flowers and pearl sprays held her tiered english silk illusion veil. She carried a white bible showered with gardenias and ivy.

Miss Rebecca Blue, sister of the bride, was maid of honor. She wore an avacado gown of slipper satin and carried a nosegay of yellow roses and white mums.

Miss Tracy Butts, cousin of the bride was flower girl. She wore an empire gown of moss green velvet and carried a basket of yellow roses.

The groom's cousin, Max Allen Chambers of Russiaville was best man.

WASHINGTON UPI—The Agriculture Department estimates interest charges on the farm debt this year will total \$2.1 billion. The charges are likely to be higher in 1966.

The total 1965 charge is about \$200 million or 10 percent more than interest charges in 1964. It is about the same percentage increase as occurred from 1963 to 1964.

The charges on the farm mortgage debt in 1965 were estimated at \$1.1 billion. The charges on the short-term debt totaled \$1.1 billion. Collecting the charges on the short-term debt were commercial banks, production credit associations, the Farm Home Administration, and merchants, dealers,

West opened the queen of diamonds, and de Nexon won with the king. The bell-bent bridge player would draw three rounds of trumps and then do his thinking, but it would come too late. Since the jack of spades does not drop, the trump don't break, and the queen of clubs is on the wrong side, South must go down.

De Nexon is a cool customer and planned to stay that way by playing the trumps correctly. After winning the first trick with the king of diamonds, he cashed the king of spades, got to dummy with the king of hearts and led out the ace and queen of spades to get rid of his two low diamonds.

### TAKES TOP CARDS

Declarer continued by taking the top cards in the side suits—first the clubs and then the ace of diamonds. He could then ruff a club with dummy's low trump and returned by ruffing a diamond with the eight of trumps.

De Nexon ruffed another club with dummy's ace of trumps, thus winning his eleventh trick, with the queen-ten of trumps still in his hand. The small slam was thus quite sure, and he actually made an overtrick by leading a spade from dummy and ruffing with the ten. West could not over-ruff, and South took the last trick with the queen of trumps.

### DAILY QUESTION

Partner opens with one spade and the next player passes. You Hold: S-J 9 8 4 H-9 2 D-Q J 10 C-Q 5 4 2. What do you say?

ANSWER: Bid two spades. You have 6 points in high cards 1 point for the doubleton, and may also count 1 point extra for the jack of partner's bid suit. This is enough for a raise.

## The Lighter Side

WASHINGTON UPI—The agriculture department has come up with what apparently is a new type of insecticide.

It doesn't actually kill bugs. It just stunts their growth.

The active ingredient is a chemical 10, 11-epoxyfarnesene acid methyl ester, if you want to get technical that has been synthesized by the Agricultural Research Service.

The department reports that the substance "mimics hormones that control natural physiological functions of insects."

When about one-billionth of an ounce was applied to the pupae of the yellow mealworm, it prevented those pupae from developing into adults.

But let us not spend too long marveling over this development. There are yet other wonders commanding out attention.

Another group of agricultural researchers has found a way to sterilize one part of a sorgo plant without inhibiting the other part. They did this by means of a hot water treatment.

Specifically, they immersed the flowers of sorgo plants, which are used for syrup production, in a container of hot water for 10 minutes on the

afternoon of the first day of flowering.

Presto: strange things happened.

The pollen-bearing parts of the flowers were rendered null and void. But the plant remained semi-fertile, subject to pollination from other sources.

It is said that the process makes it possible to cross sorgo with Johnson grass. I certainly hope so.

So what else is new down on the farm? Well, instant pickles for one thing.

A new procedure developed through agriculture research speeds up pickling process, producing pickles within a week as compared with several months under the old system.

Other recent discoveries to emerge from the laboratories include grapefruit crystals, dry apple flakes and improved dehydrated celery. The apple flakes have individual flavors, depending on the type of apple used to make them. This took bit of doing.

Then all you have to do is dissolve grapefruit crystals in cold water and you've got grapefruit again. Use it to wash down an instant pickle and it will produce a perfect pucker.

## Triple Slayer Will Get Chair

LINCOLN, Neb. UPI—Attorneys for Duane Earl Pope, condemned to the electric chair for triple murder, have vowed to carry his conviction to the U. S. Supreme Court to try and save his life.

The husky, 22-year-old Kansas farm youth was found guilty Friday on six charges stemming from the robbery of the Farmers State Bank in the ranch town of Big Springs, Neb., last June 4. The robbery netted him just \$1,598.

His mother, Mrs. Earl Pope, Roxbury, Kan., wept as the verdict was returned at 4:48 p.m., CST and as U.S. Judge Robert Van Pelt sentenced Pope to die at 11:30 a.m., March 3, 1966. The jury deliberated nearly 14 hours and recommended the death penalty.

Defense attorney Robert B. Crosby said the Pope verdict was "a tremendous shock" and a "miscarriage of justice." He plans to file a motion for a new trial.

## WALL STREET CHATTER

NEW YORK UPI—Newton D. Zinder of E. F. Hutton Co. says that weakness in auto issues seems to be the major depressant of the market and that any change of trend in these issues would probably give a better tone to the list.

The analyst also says that since the Dow-Jones Industrial Average was compiled in 1897, it has advanced 50 times in the month of December compared with 17 declines, so historically the final month of the year is a good one for the market.

Goodbody & Co. thinks inflation psychology has crept into the market and tax-loss selling

may be minimal in the next few weeks. The company feels that a breakthrough of the Dow-Jones Industrial high could very well signal a rally which could carry it over the 1,000 mark by the beginning of the year. It recommends caution for the long term.

Thomson & McKinnon says that several factors, including profit-taking and tax-loss selling, will give the market an irregular pattern in the near future and that a positive investment approach with emphasis on sound issues remains the best course of action.

## News of Hollywood

By Vernon Scott

HOLLYWOOD UPI—Good grief, Charlie Brown and his pals from the "Peanuts" comic strip are coming to television for a Christmas special.

It will mark the television entertainment debut for Snoopy, Lucy, Linus, Schroeder, Pig Pen and that blockhead, Charlie Brown.

The gang has appeared in recent years in commercials for an automobile manufacturer. The characters will remain the same under the direction of Bill Melendez, who does the animation.

But the guy in over-all charge of Peanuts is, naturally, Charles Schulz whose daily strip is one of the most popular and widely circulated in the country.

The show, "A Charlie Brown Christmas," will air Dec. 9 via CBS-TV.

The question is, why did Schulz finally agree to a Peanuts show after turning a deaf ear to producers for years?

"I wouldn't have done the show without Bill Melendez," Schulz explained. "He has a real feeling for the characters, and wouldn't do anything outside their realm."

I also found a producer with whom I could work. He's Lee Mendelson, and he knows what Bill and I have in mind for Peanuts."

The animated special finds Charlie Brown disenchanted with the commercialization of Christmas. In searching for the true spirit of yuletide, he asks the misanthropic Lucy for help. She puts him in charge of a Christmas play which, inevitably, is a disaster under Charlie's bumbling direction.

Ultimately good old Charlie

Brown is mollified when his bedraggled Christmas tree is decorated by the other peanuts.

While Schulz favors occasional television specials, he is against a weekly Peanuts series, saying, "It involves so many animators that it might lose the spirit of the comic strip. If we just do a few specials each year we can maintain control of the action."

"We're doing a second show for June or July on baseball, and if the first two are a success we may come up with another for Halloween with Linus and the Great Pumpkin."

## Gen. De Gaulle Awaits Balloting

PARIS UPI—President Charles De Gaulle headed for his country home today to vote in Sunday's election. He told frenchmen Friday night, "Your decision will undoubtedly decide forever the fate of our country."

De Gaulle, 75, is running for another seven-year term as President against five younger opponents.

De Gaulle must get more than 50 per cent of the votes to be declared a winner on the first ballot. Under the French system, if no one gets a majority the two highest candidates compete in a run-off election scheduled for later this month.

Even his most vocal critics concede De Gaulle would win a run-off. The crucial question was whether he would get enough votes Sunday to make run-off unnecessary.

## BAINBRIDGE POINTERS SET NEW COUNTY SCORING MARK

### Pointers Use Press To Gain First Stop Advantage, 40-8

#### EDITORS NOTE...

\* Checking quickly through the old files of the Banner and Greencastle Herald we couldn't find any occasion where a team has tossed in as many as 123 points.

Chalking up victory number five last night, the Bainbridge Pointers let fly with the round pigskin and trounced Monrovia on the Mooresville floor, 123-51.

The hustling Pointers avenged some past year defeats at the hands of Monrovia ball club by blasting the buckets for 47 field goals and 29 free throws while the downed Monrovia crew could only manage 20 field goals and 11 free throws.

The visiting Pointers fired up from the starting gun and hit their opponents with a full court press during the entire first period of play to chalk up a 40-8 first stop lead.

Larry Steele grabbed off 23 rebounds and accumulated 10 assists in the encounter while Pointers Judy and McFarland played one of the best defensive games of the year.

In the second quarter the Monrovia squad changed from their man-to-man defense and switched to a zone, but to no avail. The Pointers kept blasting the round buckets and closed a second period leading 53-28.

Going back with the press in the third quarter the Pointers really laid it on and closed the period holding a nice edge, 93-31.

With a full head of steam and the reserves taking over the Pointers rolled on during the fourth quarter and closed the contest, 123-51.

Steele banged 36 points while Judy and McFarland popped in

22 and 24 points. Brown paced the Monrovia team with 15 points.

### Mike Garrett Is Heisman Winner

NEW YORK UPI —Mike Garrett, who once would have been satisfied to be a first-string player, accepted the Heisman Trophy Thursday night as the nation's outstanding collegiate football player this season.

The 21-year-old Southern California halfback set a national collegiate rushing record and was the top vote-getter on this year's United Press International All American team.

"When I entered college I thought I'd be satisfied to play first string for three years at S. C.," Garrett said Thursday before receiving the award in ceremony at the downtown Athletic Club.

"This award is a great honor," he said. "There are so many other good ball players in the country that I thought would get it. I'd have to say it came as a surprise to me." In the recent pro draft, Garrett was picked on the second round by the Los Angeles Rams of the National Football League and on the final round by the Kansas City Chiefs of the American Football League.

### DPU Draws M.I.T.

DePauw University has drawn M.I.T. for its first round opponent in Union Colleges's post-Christmas tourney this month in Schenectady, N. Y.

The Tigers will play the Massachusetts team at 7 p. m. Dec. 28 and host Union will face Hope College (Mich.) at 8:45 p. m.

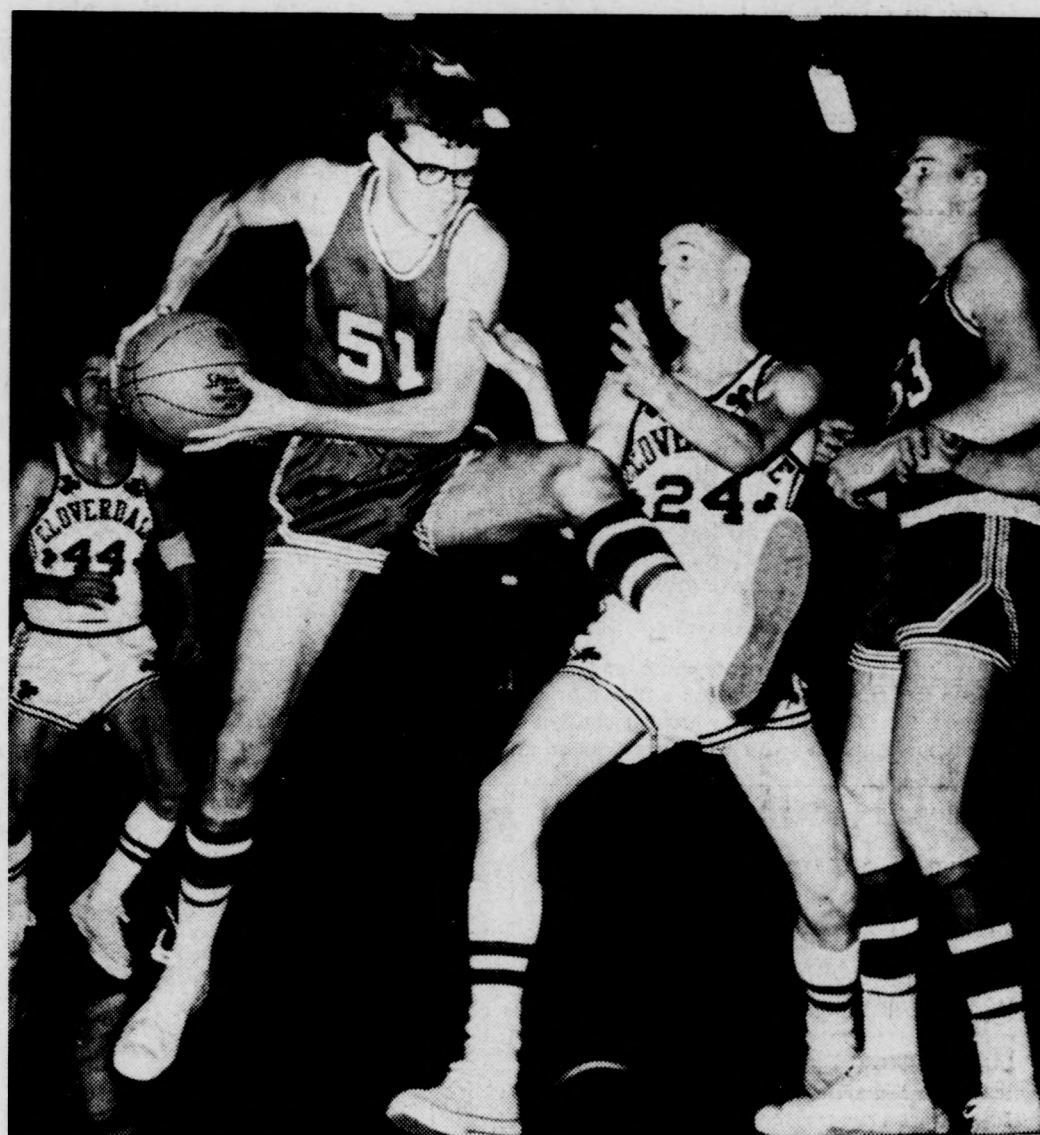

The remainder of the schedule for the three-day round-robin tournament includes:

Dec. 29 — 7 p. m. DePauw vs. Union; 8:45 M.I.T. vs. Hope. Dec. 30 — 7 p. m. Union vs. M.I.T.; 8:45 DePauw vs. Hope. All four teams bring back virtually the same squads that compiled a combined 47-36 record last year.

2 for 14 free throws the Clovers closed the first half of action holding a 37-14 lead.

Pouring on the coal the Clovers hit their visiting foe with the press again in the third period, but soon dropped back to the defensive as the Indians failed to capitalize during the first couple of minutes of the third period.

Playing with their reserves the Clovers chalked up twenty-three points to the Reelsville squad's 24 and closed the game holding the leading margin 77-50.

Cloverdale hit 25 of 36 free throws during the game while

Reelsville managed only 16 of 33 attempts from the charity stripe.

Williams paced the Indians with 20 points while the Clovers had four men in the double figure column. Sandy tossed in 20 points to pace the Clovers while Hervey, Truax, and Stallcop dominated 17, 15, and 13 points respectively.

Cloverdale will meet tall Fillmore at home next Friday while Reelsville will host Cory.

## Fillmore Cards Blast Hawks, 86-50

The Fillmore Cardinals rolled over visiting Roachdale last night to claim their fourth victory of the season, 86-50.

The Cardinals jumped into a 21-9 first quarter lead and eluded the Hawk defensive the rest of the game, leading at all stops, 41-19, 70-30, and 86-50.

The visiting Hawks tried to rally in the early minutes of the third period by hitting the Cards with a full court press but the Cardinals kept pouring the coal on and rolled up the lead.

Cardinal reserves finished the game up in the fourth by adding 16 points to the victory cause.

Fillmore is now 4-1 and will

meet Cloverdale on the Clover floor next week while Roachdale is 1-5 and will tangle with North Salem the 10th.

Celebrated Cloverdale rolled over "Blackcat Killers" Reelsville on their home floor last night to remain undefeated in seven outings 77-50.

Reelsville went into the encounter with a 4-1 record, just knocking off Terre Haute Germeyer's Blackcats last week 48-42, while the Clovers boasted a 6-0 record.

The Clover squad hit the tough and tall Indians full blast with a full court press in the

opening minutes that left the Indian visitors scoreless for the first three minutes.

The Indians succeeded in luring the Clovers into their type ball game by slowing down the first quarter with deliberate ball handling and shooting, but the host Cloverdale team refused to allow the visitors to score during the first three minutes, chalking up a lead of 23-5 and tossing in 13 of 15 charity stripe attempts while the Indians could manage only

## Venomous Spider Invades State

**NEW ORLEANS UPI —** A several states including Indiana is more venomous than a snake or a black widow spider, according to an Arkansas microbiologist.

Dr. Paul N. Morgan of Little Rock told the convention of the American Entomological Society here this week the spider, known as the brown recluse, has recently invaded Louisiana, Texas and Arkansas.

Morgan said the spider caused several deaths last year in Missouri and Arkansas. It also has been found in Texas, North Louisiana and Illinois as well as Indiana.

The spider has legs up to an inch long on a body, usually brown, about the size of a house fly. Morgan said it can be recognized by a black, violin-shaped mark on its back.

Morgan said the insect prefers to live indoors and is often found in bathtubs or in clothing hanging in closets. The spider's bite is not painful and is often ignored by victims but, Morgan said, it develops large lesions which become gangrenous.

## National Window

It cannot be disputed that this thing in Viet Nam is the cushiest, most comfortable, relaxing war ever. The United States has its war and its welfare state too. That is a parody of the old one about having your omelet without cracking the eggs.

Except for the young Americans in Southeast Asia who are being shot at, hit and some-

**"KNIGHTHOOD"** — Violinist Yehudi Menuhin, 49, shown with his accompanist sister, Hephzibah, in New York, is to receive an honorary knighthood in London. He can't use "sir," however, which is reserved for Britons, but he can sign "K.B.E.," after his name, for Knight Commander of the Order of the British Empire.

times killed, this war is a softy. It exacts not much from the average citizen, not even much money. The modern system is to pass along to your grandkids much of the cost of any war. If the grandkids are lucky, perhaps they can elect to office politicians who will stave off payment and pass the costs along to still another generation.

For this thing in Viet Nam the United States is training on ice cream, cake and candy. As a famous performer used to say in his caper: "Is everybody happy?" Slaphappy would be more like it.

The cost of operating a welfare state and a war at the same time is beginning to show up in the official statistics. The Texas White House announced this week that war costs and other factors would push spending over the \$100 billion level during this fiscal year. Big among the other factors is the welfare state.

The deficit for the current fiscal year now is estimated at between \$7 and \$10 billion. The original estimate was \$5.3 billion. The treasury has been in the red every year since Dwight D. Eisenhower left the White House. Ike achieved only three balance budgets in his eight years. Harry S. Truman scored three in seven years. FDR was in the red every year he was in the White House.

This shabby fiscal background has lowered the standards of what had to come to be accepted as good government. The politicians do not have the courage to impose and the citizens lack the wisdom to demand a combination of tax rates and economy that would enable government to pay its way.

The treasury has become the source of goodies distributed among the citizen-voters. The citizen-voters pay for the goodies with their own tax money or the treasury borrows the money, leaving it to the grandkids to pay.

The citizen-voters are hooked on the system of free lunch goodies which is about as valid as perpetual motion or the transmutation of base metals into gold. LBJ's Great Society has a free lunch counter.

United Press International reported last month that first-year costs of 15 Great Society programs begun or expanded by the Congress just adjourned would be \$8.5 billion. The projected cost of these programs over the next three to seven years will be about \$37.6 billion.
